

## ERASMUS+ DAY

On 20<sup>th</sup> June 2023, 'George Barițiu' College of Economics organized an ERASMUS+ DAY, an opportunity for the students and the teachers of our college as well as for the students from other schools visiting our college to find out more about the Erasmus+ projects implemented by our college and the project activities carried out during the mobilities our college organized or taken part in from March to June 2023. The students and teachers involved in the projects shared their experiences, the information they assimilated during the project activities and the benefits of getting involved in such educative projects with UE funding.
